

Possible Zones

1. Playground
2. Service Centre
3. Tennis Courts
4. BMX Track
5. Grass Section next to Plunket Building
6. Old Bowling Green
7. Old Shed Concrete Slab
8. Skate Park
9. Path and Proposed Open Drain
10. Grass Area
11. Road Reserve
12. Rail Corridor

A – Drain upgrades 2024

Upgrades will require a 2m excavation area as well as an additional 3m for vehicle access.

Suggested Ideas

- a. New play equipment and safety surfacing
- b. BBQ's under a shelter
- c. Pump track
- d. Miniature roadway or Dinky Track
- e. Dog exercise area
- f. A 9-hole golf course
- g. Disc golf course
- h. Community Garden
- i. Fitness trail
- j. Improvements to the Skate Park
- k. Improvements to the Tennis Courts
- l. Mini Botanical Garden
- m. Fruit trees
- n. Farmers Market
- o. A Pond
- p. Seating, tables, and benches
- q. Boundary fence
- r. Improved lighting and security cameras
- s. Freedom Camping Dump Station
- t. Flying fox
- u. Youth Centre
- v. Improved drainage
- w. Planting of borders
- x. Shade
- y. Accessible pathways

Most Significant Issues

- Poor drainage in places
- Prohibited vehicle access
- Lack of seating
- Cost and difficulty of maintenance
- Lack of budget
- Lack of accessible paths through site
- No recognisable 'front entrance'
